

SWEET

IRIDE Lime Cake

Inspired by IRIDE print, which is a development of the 1970s Pucci archive print. IRIDE means "IRIS".

VIVARA Classic Cheesecake

One of the most iconic PUCCI prints from 1965.

Named after the crescent shaped island in the Gulf of Naples. Waves of the sea and the movements of the sun and moon tell you of the arrival of summer.

MARMO Rosa Macaron

Designed in 1968, the MARMO print's marble effect is achieved through a play of delicate ripples of colours. Camille Miceli reintroduces the imperfect aspects of print by hand-drawing the print herself.

PUCCI Bonet

Inspired by the Italian dolce vita, a traditional sweet from northern Italy to revive the jet-set glamour of the 1960's and 70's.

PUCCI Panna Cotta

Inspired by the unique PUCCI colors, as in the iconic prints of the Maison.
